TENFOUR 2.0

Origaudio™

TENFOUR 2.0

EXTERNAL BATTERY PACK

What's New

The best just got better! The Tenfour 2.0 is now equipped with a USB-C quick-charge port. This will allow the portable power bank to charge laptops, devices and tablets that use USB-C. An emerging standard for new technology, USB-C is becoming more universally compatible and allows for faster charging and data transfer.

The Specs

- 10,400mAh capacity
- 3.1 amp output
- 2 USB Ports
- 1 quick-charge USB-C Port
- Battery Indicator Lights
- Full color digital imprint on dome
